Lectures/Oral Presentations

Please send your oral presentation in powerpoint or pdf by e-mail to euroboron9@icmab.es by 30th June 2021.

Each lecture duration includes 5 minutes for discussion.

Strict timekeeping will be essential for the smooth running of the conference.

For preparing your power point presentation please use the slide size 16:9.

We suggest to use a minimum font of 24 pt for your presentation slides.

Preparation of Poster

As a major guideline it is proposed to make the poster intelligible in itself, even in the absence of the author. It is suggested to divide the contents of each poster into introduction, results and conclusions, with a summary listing the pertinent results and conclusions.

The poster should be legible from a distance of 2-3 meters. Standard size for posters is 0.85 x 1.2 m (DIN A0-German Standard) vertically oriented. Therefore, please find the following specifications:

- the minimum size should be 20 cm for graphs;
- 3 cm for the paper's title and the names/adresses of the authors in the heading label;
- 1,5 cm for sections headings such as introduction, results, labelling of figures and tables;
- Line spacing: 1,1 cm at minimum; 10 of such lines correspond to one figure.
- Please use colors, symbols and schemes for improved clarity.

Poster exhibition takes place on Monday 4th and Tuesday 5th July from 15-19h. Please hang up your poster during the morning and remove it at 19h of your presentation day.
